Note: Subscriptions during the first year will be collected via cheque or cash. Proposals for the future will include direct debit or annual collection direct from pension payments. These options will be made available to members in due course.

Subscriptions will be used for the general running expenses of the Association, funding of a dedicated magazine, pump priming for purchases of lapel badges, ties, etc, for sale to the membership.

### Spreading the Word

One of the challenges facing the PMA committee is contacting the many people who would qualify for membership but who are not paid a pension and are therefore not listed on the only database that we have at our disposal. This is particularly the case with ex retained duty system personnel and to a lesser degree some of our ex 'green book' support staff. It would be very helpful if you can spread the word to potential members or, with your return, give us names and contact details.
